If the service is to be videoed the consent of the Organist must be obtained, and there is an additional fee payable to the Organist of £100.00 This will entitle you to make two copies of the video and obliges you to credit the organist's playing should you post any of the video to the internet. You should also make sure that your videographer has a Limited Manufacture Licence to record the wedding. These are simple to arrange and cost about £15. You can find out more here: [www.prsformusic.com/users/recordedmedia/dvdsanddigitalmedia/Pages/LimitedManufactureLicence\(LM\).aspx](http://www.prsformusic.com/users/recordedmedia/dvdsanddigitalmedia/Pages/LimitedManufactureLicence(LM).aspx)

BELLS - Aldingbourne Church only £150.00

CANDLES - Aldingbourne Church only..... £35.00

HEATING - For weddings between October and May there is an additional charge of £100.00

DEPOSIT - **A returnable deposit of £100 cash is requested on booking a wedding; the balance to be paid at least one month prior to the wedding.**

PHOTOGRAPHY - Photographs in church during the service are allowed, subject to prior consultation with the Priest, but we ask that photographers exercise great sensitivity. In particular we do not permit the use of flash photography and the taking of intrusive photographs during the exchange of vows. Experience shows that such photographs can be very off-putting to the couples concerned. It is helpful if the photographer can attend the wedding rehearsal.

FLOWERS - The flower arrangers in our three churches are always happy to help with wedding flowers, or to give advice. If you are having your own florist you will still need to liaise with them over access to the church.
